**HOW IT WORKS**

**STUDENTS APPLY**
Low-income and working-class families within 300% of the Federal Poverty Level apply for a scholarship to a private K-12 school of their choice.

**DONORS GIVE**
Individual and corporate donors make contributions to qualified scholarship granting organizations who then fund a scholarship. In turn, donors are eligible to receive a 75% state tax credit.

**SCHOLARSHIPS ARE AWARDED & LIVES ARE CHANGED**
SGOs, like Empower Illinois, award scholarships to families who meet the income requirements, based on available funds at their school of choice.

**EMPOWER ILLINOIS**

Empower Illinois is the state’s largest, most comprehensive SGO. We have successfully raised the most donations, received the greatest number of applications, and awarded more scholarships than any other SGO in the state.

We serve approximately 91% of Illinois recognized private schools in their processing of donations, scholarship awards and program compliance, we also assist students and their families through the scholarship process.

**Empower Illinois’ mission is to expand quality education options for low-income and working-class families of Illinois.**

$100,000,000 IN K-12 SCHOLARSHIPS
INVEST IN KIDS ACT

In 2017, bipartisan lawmakers passed the *Invest in Kids Act*. This historic law — the first of its kind in Illinois — transforms lives by providing up to $100 million in scholarships for children from low-income and working-class families in Illinois, while also providing landmark funding for public schools. Empower Illinois’ scholarships provide parents with a way to help their children find success!

$100,000,000 in K-12 scholarships

Scholarships are funded through private donations to scholarship granting organizations (SGOs), like Empower Illinois, who then administer the application and scholarship process. Donations to the scholarship program are eligible for a 75% State Tax Credit.

INCREASE YOUR IMPACT

Donors who give to Empower Illinois receive a 75% tax credit for the amount of their gift, up to $1 million. In addition, any portion of the tax credit may be carried forward for up to five years.
